

**MARK YOUR CALENDAR!**  
**March 22 and 23**

This will be one of the largest 2-day diving events in that South Dakota has ever seen. Special guest speaker Jessica Harned, from DUI Dry suits, will kick off the event for local rescue divers with seminars about diving in hazardous water and equipment to do it safely.

Jessica is DUI'S expert on hazardous diving environments and has conducted PUBLIC SAFETY DIVER seminars across the USA. Also present will be experts from INTERSPIRO FULL FACE MASKS and DIVE RESCUE INTERNATIONAL.

This two day event will start Saturday with continental breakfast, seminars about diving equipment designed for contaminated water, lunch, decontamination demonstrations and Sunday-pool demo dives. Where you can dive with dry-suits, full face masks and a surface supplied gas system.

Dive rescue teams and divers wanting to learn about new dry suit technology, full face masks and surface supplied gas are invited to attend. **See attached poster.**

**We are offering all of this at the unbelievable price of only \$15, preregistration is required**

## IN THIS ISSUE

- DIVE OPERATIONS HAZARDOUS WATERS
- SCIENCE OF DIVING CLASS
- SPRING DIVERS SOCIAL AND BANQUET

## SCUBA BANQUET

March 22

### Westward Ho Country Club

This year we are bringing back our spring SCUBA BANQUET. A festive evening with other like minded divers, special video and pictures from this

winters trip to BELIZE. With a special emphasis on the men and women who volunteer their time as rescue divers throughout our area.

Jessica Harned will be our guest speaker with a special presentation on DUI'S last 50-years of hot water and dry suit inventions. Plus amazing expeditions where there DUI suits allowed divers to **go where no diver has gone before!**

**Prizes will be given for the best:**

- underwater photo
- most unusual object found under water ( in the past we have had short stories written with the item found, be creative)

Festivities start at 6PM with a social hour, TEX-AS BARBECUE BUFFET is served at 7PM and program at 7:30PM

Reservations are required by March 19, cost of dinner \$24.00, includes tax and tip. More details will be available on our web site by this weekend.

## SCIENCE OF DIVING

MAY 10-11, 2014

**KNOWLEDGE IS POWER!** SSI has combined the science materials from the DIVECON and Technical Extended Range into one class. SCIENCE OF DIVING covers these core areas: **DIVING PHYSICS, DIVING PHYSIOLOGY, DECOMPRESSION THEORY, DIVING EQUIPMENT and AQUATIC ENVIRONMENT.** We are offering this class as a two day program so persons from out of town can complete in one weekend. This class is the second module of the DIVECON class.
