

SPECIALTY DIVER WEEKEND

LEVEL II
CERTIFICATION
**LAKE OAHE,
PIERRE, SD**

Progressive divers are always looking for ways to become better, safer divers and gain diving experience.

These core SPECIALTY DIVER CLASSES, **BOAT DIVING, ADVANCED NAVIGATION, LIMITED VISIBILITY NIGHT DIVING**, were carefully selected because you use them on nearly every dive that you do.

The **SPECIALTY DIVER** program is offered as a home study class and is taught in two sessions. You will need time to watch the DVD's and read each class manual before the **theory class July 28, 4PM-10PM at Donovan's**. The second part of the class will be **two days of diving at Lake Oahe, August (7)8-9** from our custom dive boat **"THE SCUBA SPEARIT"**. During this exciting weekend of diving and fun. You and five other adventure divers will complete the open water requirements for your SSI SPECIALTY DIVER certification.

To help you plan for your dives, here are some things to remember: we only take 6-SPECIALTY DIVER students per weekend and spaces are filled on a first signed up deposit paid basis. If you plan to rent equipment come into the store at least a week before departure to try on and reserve all of your equipment, pay your final class

payment and equipment rental. **Special pieces of equipment that YOU WILL NEED TO SUPPLY: an underwater slate with a pencil on a rubber lanyard. For the night dive you will need a whistle, primary dive light and a tank marker light.** Personal diving equipment that you will need to supply (buoyancy compensator, regulator with octopus, gauges including a navigation style compass, lead weights, wet or drysuit for 72 degree water.

INCLUDED IN THIS SPECIAL WEEKEND is transportation, lunch on the water, five supervised dives with Instructor and Divecon aboard our custom 24' dive boat the **"SCUBA SPEARIT"**, all tanks and air fills. **SSI - SPECIALTY DIVER C-CARD and DIPLOMA.**

NOT INCLUDED: SSI SPECIALTY MANUALS & DVD's, breakfast and dinner, hotel rooms at STATE MOTEL (\$54/ night).
