

# LAKE OKOBOJI ONE DAY TRIPS

**Wednesday, MAY 23**

**Monday, MAY 28**

**Wednesday, JUNE 6**

This spring catch the BOJI spirit as we are offering a series of one day mid-week trips to West OKOBOJI, IA. This will allow you to take advantage of safer diving conditions with less boat traffic. Spring diving at OKOBOJI is best known for the abundant fish life and super visibility. Exploring the rock reefs for treasures of antique bottles, anchors and rods and reels, lost by past boaters and fisherman.

The transition of WEST OKOBOJI, from its early spring phase, with little fish life along the shore lines and no vegetation, to active fish populations nestled between docks and weed-beds, can best be observed by diving. The last weeks of May and first weeks of June are best for the diver who wants good visibility, warmer water (58- 60 degrees ) and lots of fish.

This time of the year the weather is much more favorable and you can comfortably dive the lake with a wet or dry suit. For the boat ride I would suggest a wind breaker to change into after the dive.

We will be departing Sioux Falls at 7:30 AM for those who would like to ride over in

the store maxi-van, or you can meet us at the Emerson Bay state boat ramp on West Oko- boji. We will be at the boat ramp at 10:15 AM to launch the 24' SCUBA SPEARIT, custom dive boat. During our two tank dive outing we will be able to dive a variety of sights depending on the weather. We take a lunch break on the water at a local restaurant, or you can bring a bag lunch, we have a built in cooler in the boat and we will supply ice for pop and food.

Included in the cost of the trip are two tanks w/air, DIVECONTROL SPECIALIST GUIDES, 24' custom dive boat, all gas and oil for the boat and van. You will need to supply your own diving equipment (dry or wetsuit, hood ,boots, gloves for water temp, BC with inflator, regulator-octo, 3-gauge console-computer, lead weights, dive flag, mask, snorkel and fins).. Be prepared - bring a ditty bag for the small treasures and a lift bag for the anchors!

**TRIP COST .....\$105.00**

**NITROX add \$11.50**

DEPOSIT \$25.00 AT REGISTRATION, CANCELLATION LESS THAN 7-DAYS PRIOR TO DEPARTURE WILL FORFEIT DEPOSIT.
