

2014 LAKE FRANCIS CASE DIVING SAFARI'S

Again this season our adventure SAFARI'S are going to Lake Francis Case. The short drive means less travel time, more diving fun and less cost.

Your guided dives will be below Fort Randall Dam and above in Lake Francis Case. This lake boasts vast reaches of underwater reefs consisting of rock and shale outcrops, submerged forests, and fresh water spearfishing. We offer many dive sites over a 16 mile area depending on the weather and diver experience. This trip can be used to finish SPECIALTY CLASSES.

WE SUPPLY: two guides, 24' SCUBA SPEARIT custom dive boat, gas ,oil, transportaion, a deli style lunch, sandwiches, pop, water, chips, cookies, two steel 80 tanks with air fills, **NITROX UPGRADE AVAILABLE**, ice for fish coolers, bags for fish and memories for a lifetime.

Diving from the 24' custom dive boat
SCUBA SPEARIT

After two great days of diving we try to come off the water the last day around 5 P.M. with arrival in Sioux Falls by 10 PM.

You will need to supply your own diving equipment, which should consist of: buoyancy compensator with power inflator, regulator with octopus, tank pressure gauge, compass, dive computer or dive tables depth gauge and bottom timer, weight belt, mask, defogger, extra mask fin and snorkel strap, snorkel, fins, speargun, t-bar stringer, brass snap clip, fish filet and dive knife, c-card, log book, towels,

drysuit or wetsuit, hood, boots, gloves and dive flag.

Not included:

hotel, Frt Randall Inn, \$65/double oc.
breakfast and supper.
