

2009 LAKE OAHE EXPLORATION DIVING SAFARI'S

Just the thought of a SAFARI brings a thrill to the heart of any outdoor adventurer. Our exploration safari's are adventure in the true sense of the word.

You will be diving the OAHE Reservoir north of Pierre, S.D., this vast lake has more shore line than the entire state of California. Vast reaches of unexplored underwater reefs consisting of rock and shale outcrops, submerged forests, and some of the best fresh water spearfishing in the United States.

We stay at the State Hotel in Pierre the hotel costs are not included in the trip price, but run \$59/night based on two persons per room.) The hotel features a pool, jacuzzi, continental breakfast, in room refrigerator, microwave.

During the trip we supply a deli style lunch (sanwiches, pop, water, chips, cookies) for you at the lake. There are restaurants in the

variety of dive sights depending on the weather.

Our DIVING Safari's are an excellent trip value, included in the trip cost is transportation, 24' SCUBA SPEARIT custom dive boat, all gas and oil, lunch and two divemasters. All trips are limited to six persons, and a \$50 depos-

its will reserve your spot.

You will need to supply your own diving equipment, which should consist of: buoyancy compensator with power inflator, regulator with octopus, tank pressure gauge, compass, dive computer or dive tables depth gauge and bottom timer, weight belt, mask, defogger, extra mask fin and snorkel strap, snorkel, fins, speargun, t-bar stringer, brass snap clip, fish filet and dive knife, c-card, log book, towels, drysuit or wetsuit, hood, boots, gloves and dive flag.

We are looking forward to a great diving safari with you!!
